Dear Professor Tsinober

Workshop Code: HRTW02

Inertial-Range Dynamics and Mixing

29 September to 3 October 2008

I am writing formally to invite you to participate in the above workshop, which is to be held at the Newton Institute and organised by Professor Peter Davidson, Professor Yukio Kaneda and Professor Katepalli Sreenivasan.

Your application to attend the above workshop has been accepted as a self-supporting participant. The fee to pay is £425, which includes accommodation in a single study bedroom with shared bathroom in Wolfson Court (a hall of residence adjacent to the Institute) from dinner on Sunday 28 September 2008 to breakfast on Saturday 4 October 2008 as well as your conference registration fee (which also includes lunches and refreshments on the days that lectures take place). Additional nights can be arranged at an extra cost of £36 per night (Bed and Breakfast only).

In order that arrangements can be confirmed all participants are asked to complete a Workshop Accommodation Confirmation Form, which can be found via our website at:

http://www.newton.ac.uk/programmes/HRT/hrtw02-accommodation.html

and return it to the Institute by 22 August 2008.

Payment, which should be made by 22 August 2008, can be made by either of the following methods:

1. By cheque or Bankers Draft in UK pounds sterling, drawn on a UK bank, made payable to "University of Cambridge". Please quote your name and the workshop code (HRTW02) on the cheque.

2. By VISA or Mastercard (form enclosed) by post, fax or telephone (rather than e-mail) giving the following information: card number, expiry date and name on the card. This method of payment is subject to a 2% administration fee.

An invoice/receipt will be available to you on the first day of the workshop. All payments should be sent to Stephen Williams, Accounts Section, Isaac Newton Institute, 20 Clarkson Road, Cambridge, CB3 0EH, UK (e-mail: s.williams@newton.cam.ac.uk); Fax: +44 1223 330508; Tel: +44 1223 765732.
I am afraid we are unable to make a contribution towards your travel expenses but hope you will be able to obtain funding elsewhere.

The organisers have advised that they would like you to present a lecture at the workshop. A draft programme will be available shortly via the workshop web page.

If you wish to change these dates or find you are unable to attend, I would be grateful if you could let us know as soon as possible via e-mail to t.andrew@newton.cam.ac.uk so that reservations can be changed without penalty. Please note: if dates are changed less than two weeks before the meeting you may be charged a penalty. Also, if you have any special dietary requirements, please let Tracey Andrew know.

Yours sincerely
